Dental Clinic Design

Dental Clinic Design
Dentists are smile designers. Their working environement influences their relationships with patients. A comforatable dental clinic helps the patient receive treatment in a more relaxed manner. The interior desing of a dental clinic involves lighting, finishing materials for healthcare, color control, and ergonomics. Besides some planning and interior design guidelines from the United States and European countries, this book presents twenty-eight projects of dental clinic design that improved the aesthetics of dental clinic interiors.
