Digital Dental Revolution: The Learning Curve

Andrea Agnini, Alessandro Agnini, Christian Coachman

Digital Dental Revolution: The Learning Curve Andrea Agnini, Alessandro Agnini, Christian Coachman In recent years, innovative technology has allowed the dental team to use new materials and equipment in the production of prosthetic dental restorations that offer greater precision than conventional protocols. However, many clinicians find themselves struggling to make the transition to a digital workflow. With this book, the authors present the digital workflow they have developed and tested over time as new materials and software have continued to evolve. Readers will discover how to integrate new technology into their daily routine to improve communication with patients and their dental team and increase the quality of their restorations, ultimately enhancing the satisfaction of their patients and the success of their practice.
