Lloyd George (British Prime Ministers of the 20th Century)

Hugh Purcell

Lloyd George (British Prime Ministers of the 20th Century) Hugh Purcell
David Lloyd George was a Liberal politician and prime minister from 1916-22. By the end of 1916 there was discontent with Asquith's management of the war, and Lloyd George schemed secretly with the Conservatives in the coalition government to take his place as prime minister. The main post-war issue was Ireland, where Lloyd George brought to a partial end the long-running problem of Home Rule by giving independence in 1921 to the Irish Free State. Conservative discontent with the coalition came to a head at a famous meeting at the Carlton Club in 1922, and there was an easy Conservative victory in that year's election. Lloyd George never again held office.
