James A. Swanson

The Bush League of Nations: The Coalition of the Unwilling, the Bullied and the Bribed - the GOP's War on Iraq and America James A. Swanson
Exposes the "Coalition of the Willing" for what it is: a rightwing myth to deceive Americans while the neo-GOP wages war on Iraq and America. Includes 3 plans: 1) "Withdraw from Iraq and Win in Afghanistan;" 2) "An International Plan;" and 3) "Support Our Troops." Includes Articles of Impeachment against Bush and Cheney, and extensive index. Includes analysis of the coalition and the 50+ nations shamelessly claimed to be members. Topics include: the just war principles; corporate mercenaries who are making a killing in Iraq; the warmongering role of neocons, Big Media and modern "biblical" End Times prophecies; GOP corruption in America and Iraq; treason and crimes against humanity; and tools used by Bush's GOP to gut U.S. Constitution and bankrupt America. The author served in the Peace Corps in the Muslim nation of Morocco. Raised a Lutheran in North Dakota and now a Methodist, he's appalled at the Christian Right's neo-Jesus: Pro-War and Pro-Rich. He holds JD & MBA degrees from Stanford and SB from MIT.
