Virgo Passion: 69 is a Way of Life David Clement
This book is my contribution to eroticism of passion. “69” represents the law of balance where every action has an outcome that offset by how greater than or how less than is the initial event. You can only get out of life the same energy that you put into it.

From efforts to achievement, balance is sustained. Black love follows the same law. Black love can not be defined nor duplicated but only experienced. My persona, “ The Blakluvr”, is the combination of passion, lust, love, trust, and satisfaction personified.

In the closet of Blakluvr, the skeletons have hearts the beat and skin that conceals souls lost in a time of recognition. These thoughts were inspired by the perfect imperfection called “life”. As human beings, we all succumb to the natures of our sensual/sexual side.

Do not be afraid to be yourself. Read with honest eyes and honest hearts.

Positivity is contagious, so LET’S GET INFECTED!
