“She writes as if Everything were still possible in the work of a lifetime at the coincidence of all the turvy moments. Better that she’s read without a thought to stop. Best so this world is found changed.” ?Clark Coolidge

“What a clear, insistent health there is here—as if the so-called world were seriously the point, which it is, and we could actually live in it, which we do. Truly this is the best *How To* book I've read in years. Bernadette Mayer makes a various world of real people in real times and places, a fact of love and loving use. She has impeccable insight and humor. She is a consummate poet no matter what’s for supper or who eats it. Would that all genius were as generous.” ?Robert Creeley
