Are You Financially Checkmate?: You Live In an Economic Culture Designed to Keep You Broke. Discover How to Take Control and Free Youself From Financial Bondage. Tom Graneau Sr
Our recent recession has exposed several flaws in our economic system, one of which is our individual financial vulnerability. Millions of Americans are trapped financially, a condition referred to as, **FINANCIALLY CHECKMATE!**

Our individual financial state was not caused by the recession, as some would like you to believe. On the contrary, our personal financial instability is partly responsible for our current economic condition and will continue to be a major concern in the future, unless we change the way we do business.

It has been noted that in spite of our college degrees, great careers, and high paying jobs, roughly 90 percent of Americans remain broke. Something is obviously out of alignment with this picture.

ARE YOU FINANCIALLY CHECKMATE?, unravels the complex financial web that keeps most Americans living from paycheck to paycheck. The book identifies seven cultural habits, intertwined in our daily lives that continually thwart our financial progress. Becoming aware of these habits is the first step to becoming financially independent and solving our larger economic issues. This unique approach on personal finance is called The Uncommon Language of Money. The concepts in this book will awaken the most financially immobilized group or individual into taking positive action toward financial independence.

The information is timely, thought-provoking, and practical.

Â·What if everything you've ever thought about regarding financial success has been wrong?

Â·What if everything you've been taught about money was a scam designed to keep you poor?

Â·Could a robust economy be devastating to your financial health?

Â·Could a high-paying job be worse for your financial future?

Â·How much are you really paying in taxes that stealthily saps your wealth?

GET READY TO BE CHALLENGED AND TO RETHINK THE WAY YOU VIEW MONEY, WEALTH, AND FINANCIAL SUCCESS.

ARE YOU FINANCIALLY CHECKMATE? will not only challenge your thinking but will also give you ammunition to take control and free yourself from financial bondage.
