Creativity and God: A Challenge to Process Theology

Robert Cummings Neville

Creativity and God: A Challenge to Process Theology Robert Cummings Neville
Creativity and God is a sympathetic criticism of process theology. Neville shows that process thought is deeply mistaken to distinguish as it does so sharply between creativity and God and thus falls into both metaphysical and religious difficulties. Metaphysically, it cannot give an adequate account of temporality in God, and Lewis Ford s attempt to do so is analyzed here; nor can it give an account of eternity in God, and Charles Hartshorne s efforts are analyzed.
