Little Deaths

Geoffrey Watkins

Little Deaths Geoffrey Watkins
Even for those who are already acquainted with the insightful and brooding work of Geoffrey K. Watkins, Little Deaths will come as a dark surprise. Here are sixteen stories of life, each story standing alone in its own small world, but all of them clustered like spectators at an accident scene, not wanting to see what is happening, but unable to look away, watching and waiting for the ending; an ending which is in each story as inevitable as death, but just as unpredictable. These are not, however, stories of Death, of final rest, but of the tiny shards of shattered emotional glass which without warning cut away at our hearts, our minds and our souls and lead to those little deaths which slowly and relentlessly slay us while we are still alive.
