As if stepping from the pages of history a relic of a warrior has begun to fight back. The story told from the perspective of Tacitus O'Neil, The curator of the Gloucester City Museum of History. Tacitus was paralyzed from the waist down when a gang war spilled into his museum. Still trapped within his chair, Tacitus' bitter narrative combined with his search for reason has turned him into an excellent investigator. Step into a world of high-tech steam power and onto the gritty streets as our armored friend fights against corruption and Tacitus tries to solve the deeper meanings behind the actual source of it in Gloucester.
