BFF'S: Best Frenemies Forever Series (Urban Books) Brenda Hampton
Kayla, Evelyn, and Trina have been on-and-off-again girlfriends for many years, but the lines of true friendship will be crossed, the knives that go into another friend's back will cut deep, trust will not apply, and no one will share their dirty little secrets. With enough backstabbing, finger-pointing, and disrespect to go around, this trio sticks to their motto of "What she can do, I can do better; and whatever she has, I want a piece of it too." Much competition is thrown in the mix, and jealousy is so thick that there will be no place for anyone to run when the mess hits the fan. Only then will they attempt to put their many differences aside, but when severe damage is already done, it may be possible to forgive, but certainly not to forget.
