Lectionary Preaching Workbook Russell F. Anderson
Bigger, stronger, better! Russell Anderson has taken the most original and successful lectionary resource in history and improved on it. He has kept all of the traditional features that have made it a classic, such as: overviews of each liturgical season, commentaries compatible with the Revised Common and Roman Catholic lectionaries (plus Lutheran and Episcopal lections for those gradually converting to the Revised Common Lectionary), an introduction to the featured Gospel narrator (Matthew, in Cycle A), theological reflections for exploring the relationships between the texts, wide margins for note-taking and a stay-flat binding.

Instead of stopping there, though, he has added: a 7"" x 10"" one-size-fits-all format, a suggested sermon title for each week, a Sermon Angle which briefly explicates the theological theme for the day (sometimes providing two or three of them) and two to four illustrative stories per chapter.

Contained are crisp, tightly written lectionary helps that zero in on the critical themes of the texts, augmented with illustrative materials. The Prayer of the Day suggestions summarize and apply the themes in helpful language.
The Reverend Dr. Dennis Anderson

Pastor Anderson's ability to relate eternal truths in the language of our 20th century society will enable those informed by his writings to communicate the TRUTH in a way that will gain attention and guide the living of life.
