More Than a Memory

Marie James

More Than a Memory Marie James
“You’re gorgeous. Even better looking than the day I fell in love with you.” The words are a constant reminder of what true love is. Olivia Dawson’s alarm goes off at the same time every day and she disappears into her room to hear Duncan’s voice, see his face, miss him even more for being untouchable. Olivia loves with her entire heart, and her love for Duncan is unmatched, but there’s something about her new roommate she just can’t seem to ignore—no matter how hard she tries. **“I miss you so much.” “Can’t be more than I miss you.”** The words are a constant reminder of how unavailable Olivia is, and Bryson Daniels isn’t one for competition off the baseball field, but since the moment he knocked on the door to his new apartment and his roommate “Ollie” wasn’t who he expected, he can’t help but consider bending a few of his rules—even if it means heeding to Olivia’s. **“I love you, sweet cheeks. Chat with you later?”** Bryson hears the conversations through the paper thin walls, but there’s a pain inside Olivia he can’t seem to walk away from. He vows to be there for her when the voice on the other side of the computer inevitably breaks her heart, but will he ever be able to compete with someone who’s more than a memory?

From reader reviews:

James Marcus:

Book is to be different for each grade. Book for children right up until adult are different content. As you may know that book is very important usually. The book More Than a Memory had been making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The book More Than a Memory is not only giving you far more new information but also for being your friend when you truly feel bored. You can spend your own spend time to read your e-book. Try to make relationship using the book More Than a Memory. You never truly feel lose out for everything if you read some books.

Hayden Roberts:

As people who live in the particular modest era should be change about what going on or facts even knowledge to make all of them keep up with the era and that is always change and move ahead. Some of you maybe will update themselves by reading books. It is a good choice for you personally but the problems coming to you actually is you don't know what type you should start with. This More Than a Memory is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Malcolm Thurmond:

On this era which is the greater individual or who has ability to do something more are more important than other. Do you want to become considered one of it? It is just simple method to have that. What you need to do is just spending your time little but quite enough to have a look at some books. One of several books in the top list in your reading list is usually More Than a Memory. This book which is qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking upwards and review this publication you can get many advantages.

David Murray:

E-book is one of source of knowledge. We can add our understanding from it. Not only for students but in addition native or citizen need book to know the upgrade information of year to year. As we know those books have many advantages. Beside we add our knowledge, could also bring us to around the world. With the book More Than a Memory we can take more advantage. Don't one to be creative people? To become creative person must choose to read a book. Just simply choose the best book that acceptable with your aim. Don't end up being doubt to change your life with that book More Than a Memory. You can more attractive than now.
