Outsupered II: Arrival Of The Omniterrestrials Rob Foster
Just when you thought the world was saved from hostile takeover, comes an even greater threat from beyond reality itself – ancient gods seeking to reclaim their long-ago ownership of Earth, all its rich natural bounty, and rulership over humankind! Can mere "superheroes" hope to stop them? Back are the embattled champions who survived the original super heroic epic Outsupered; The Red Wraith, Eagle X, Mother Superior, Mechatrix, Jihad, Skullduggery, and Tarantula. Plus, sorcerer sublime Doctor Hexen and his vampiress protégé Lazarra bring their macabre powers to the fight to save humanity's freedom! Angela Michaels, with her new agent-partner Matt Jade, finds herself caught up in the eye of another titanic struggle between Earth's metahuman defenders and an evil so huge and vile that only they can hope to prevail, if fate permits – if the human race's survival is, literally, in the stars. You'll only discover the answer in OUTSUPERED II: ARRIVAL OF THE OMNITERRESTRIALS!
