What is it like to be a contemporary American Indian mystic? What sequence of experiences come together to form a mystic's path? How would you deal with the visions that come and carry you to alternate dimensions without notice and at the most inopportune times? In *The House of Shattering Light: Life as an American Indian Mystic*, Joseph Rael reveals how such questions shaped his life and his visions for the future.

"This House of Shattering Light - this perceptual reality in which we live and of which we are a part - exists only for the soul's purpose of continuing its own livelihood."

-Joseph Rael
