Surviving a Prodigal: Studies for Parents of Prodigal Children

Many families are suffering, often in silence, with the pain of a prodigal son or daughter. Each family has a story to tell, and each parent bends tremendously under the conflicting emotions of anger, guilt, and confusion. *Surviving a Prodigal* deals with the key issues parents face as they work through the rejection and pain of a rebellious child. This book helps families examine and talk about the past and present and lead them into a future based on God's Word and His desires for families.
