The Return of the Gods : Evidence of Extraterrestrial Visitations Erich Von Daniken
This latest work from renowned writer Erich von Daniken puts forward the controversial proposition that we have been subject to countless visits from beyond this planet for many years. The culmination of long-term research, his book argues that we are very much in the minds and eyes of other cosmic life-forms and that, as a result, many of the dramatic events and remarkable teachings or religious texts should be reinterpreted--even the idea of Judgment Day itself.
