Your Right to Child Custody, Visitation and Support (Legal Survival Guides)

Mary Boland

Your Right to Child Custody, Visitation and Support (Legal Survival Guides) Mary Boland
With the divorce rate above 50 percent and climbing, more and more parents are faced with difficult situations involving their children. This book is designed to let parents know their legal rights and to help them understand the court system.

Most parents think that once a decree for support has been ordered, that all is over. However, often that is just the beginning. Getting the support that was mandated, in the amount that was stated, in the manner that was determined necessary and in the time indicated are often major issues that must be continually confronted for the good of the children.

In addition to covering all of the basics, Your Right to Child Custody, Visitation and Support also examines current hot topics such as parental kidnapping, child support enforcement and when one of the parents is in the armed forces. Easy-to-use, blank tear-out forms makes this new edition a must for every person who has children and has gone through or is contemplating a divorce.
