Drawing: A Sketch and Textbook Margaret Lazzari, Dona Schlesier, Douglas Schlesier
Drawing: A Sketch and Textbook combines essential content from a basic drawing textbook with the ample blank space of a sketchbook so that students can immediately practice what they learn. Divided into three parts-the basics, elements of drawings, and the creative process--this innovative textbook/sketchbook aims to teach students how to draw by actively engaging them in practical projects. Authors Margaret Lazzari, Dona Schlesier, and Douglas Schlesier provide reproductions of student and professional artworks that can serve as inspiration/models and give students the opportunity to create a journal of drawings, ideas, notes, and inspirations, for use now and later.
