Internet Marketing For Dummies (For Dummies (Computers)) Frank Catalano, Bud E. Smith
This update to *Marketing Online For Dummies* includes all of the great topics from the original book, plus an additional focus, Internet advertising, a very hot topic. The right Internet advertising campaign can cost very little and make a product launch or even a company a winner; the wrong approach can be a huge waste of time and effort. The authors have hands-on experience doing both guerrilla marketing and million-dollar deals in this critical area. Also covered in this edition is a quick-start guide to getting net-savvy, a survival requirement in the Web marketing world.
