Night Animals (Animal Close-ups) Barbara Taylor
A new title in the "Animal Close-Ups" series, the books are produced in collaboration with the Natural History Museum, London. Their photographer has taken all the photos especially for the books, and their experts have checked and approved all the contents. Each book in the series looks at related groups of animals in spectacular photographs, and zooms in on their fascinating details, to see in close-up how nature has designed them for living. In "Night Animals", we explore the amazing senses and survival skills of animals that are perfectly at home in a night-time world. The first-person text is lively and direct, to really engage the young reader. Featured are: owl, bat, hedgehog, woodmouse, gecko, fox, moth, snail and leopard.
