Russians versus Fischer (Everyman Chess) Dmitry Plisetsky, Sergey Voronkov
This magnificent volume contains the extraordinary story of the prolonged battle between Bobby Fischer, the lone American genius who is perhaps the most famous chess player of all time, and the long-standing and all-dominating Soviet chess machine. For the first time readers will be able to view virtually all the secret documents on "the Fischer problem", many of which have never previously been published. These include papers from the archives of the KGB, the Communist Party Central Committee, the USSR Sports Committee, and the Chess Federation. Together with this, there are reports and analysis of Fischer's personality and play, written at the demand of the Soviet authorities by the country's leading Grandmasters, legends such as Mikhail Tal, Tigran Petrosian, Vassily Smyslov, Paul Keres, Victor Korchnoi, and Efim Geller.

Also contained in *Russians Versus Fischer* are annotations and the stories on all of the 158 chess encounters between Fischer and his Soviet adversaries, and a large number of rare photographs and drawings. This book is a significantly enlarged and updated version of the one first published in Russia in 1994.
