Chinese Jade: The Spiritual and Cultural Significance of Jade in China Li Hongjuan
This beautifully photographed Chinese art book is a comprehensive exploration of jade and its history in China from the Neolithic times to the Qing dynasty.

To the Chinese people, jade is a precious stone endowed with magical properties which encapsulated all that mankind aspires to in terms of character, elegance, tranquility, purity and virtue. The Chinese love jade not merely because of its rarity or its luster but because of a deeper aesthetic value.

Chinese Jade: The Spiritual and Cultural Significance of Jade in China presents a comprehensive view of jade and its history in China from Neolithic times to the Qing dynasty. It illustrates pieces of jade that are on display not only in the Palace Museum in Beijing but in the many provincial and other museums across China. It will help the reader to understand what jade means to the Chinese in China; how it is classified and described and where it is found and worked and displayed. It has a value beyond that of a simple catalogue and places jade in its natural, and central, cultural context.

From reader reviews:

Brenda Wright:

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want have more knowledge just go with training books but if you want feel happy read one using theme for entertaining such as comic or novel. The actual Chinese Jade: The Spiritual and Cultural Significance of Jade in China is kind of reserve which is giving the reader capricious experience.

Jacob Gray:

Reading a guide tends to be new life style on this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. Plenty of author can inspire all their reader with their story as well as their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some research before they write on their book. One of them is this Chinese Jade: The Spiritual and Cultural Significance of Jade in China.

Carolyn Brown:

People live in this new morning of lifestyle always make an effort to and must have the time or they will get wide range of stress from both lifestyle and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not really a huge robot. Then we ask again, what kind of activity do you have when the spare time coming to a person of course your answer may unlimited right. Then ever try this one, reading books. It can be your alternative with spending your spare time, often the book you have read is definitely Chinese Jade: The Spiritual and Cultural Significance of Jade in China.

Anthony Jones:
