Patrick T. Colahan, Alfred M. Merritt, James N. Moore, I. G. Mayhew

Manual of Equine Medicine and Surgery, 1e Patrick T. Colahan, Alfred M. Merritt, James N. Moore, I. G. Mayhew
Designed as a stand-alone quick reference for students and practitioners, MANUAL OF EQUINE MEDICINE AND SURGERY covers major assessment, diagnostic, and treatment protocols for common equine problems. The most important information, including tables, boxes, and reformatted narrative, from EQUINE MEDICINE AND SURGERY is included. Like the parent text, the manual logically presents common disorders by body system and has a distinctive approach that enables students and practitioners to make diagnoses by assessing the disease process.

* Serves as a quick reference for up-to-date coverage of equine medicine and surgery. * Provides a global perspective of equine medicine and surgery from authoritative, international contributors and editors. * Covers major assessment, diagnostic, and treatment protocols for common equine problems in a concise format. * Offers a cost savings when purchased in a package with the book, EQUINE MEDICINE AND SURGERY, or available separately.

From reader reviews:

Aubrey Newsome:

Book is to be different for each and every grade. Book for children until finally adult are different content. As we know that book is very important usually. The book Manual of Equine Medicine and Surgery, 1e had been making you to know about other information and of course you can take more information. It is very advantages for you. The e-book Manual of Equine Medicine and Surgery, 1e is not only giving you a lot more new information but also to get your friend when you truly feel bored. You can spend your own spend time to read your book. Try to make relationship with all the book Manual of Equine Medicine and Surgery, 1e. You never really feel lose out for everything in case you read some books.

Edward White:

Often the book Manual of Equine Medicine and Surgery, 1e has a lot of information on it. So when you check out this book you can get a lot of profit. The book was compiled by the very famous author. Mcdougal makes some research prior to write this book. This book very easy to read you can obtain the point easily after perusing this book.

Eunice Huynh:

People live in this new day of lifestyle always attempt to and must have the spare time or they will get large amount of stress from both everyday life and work. So , once we ask do people have time, we will say absolutely of course. People is human not a robot. Then we ask again, what kind of activity do you possess when the spare time coming to you actually of course your answer will probably unlimited right. Then ever try this one, reading publications. It can be your alternative inside spending your spare time, the actual book you have read is usually Manual of Equine Medicine and Surgery, 1e.

Margaret Padua:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Manual of Equine Medicine and Surgery, 1e can make you feel more interested to read.
