He's never talked about his past, about his life before he became a Christian, but Jordan Foster has learned to look past the unknown part of him. To her, he's a strong, caring man, a man she can see herself with. He's also a man who refuses to ask her out for fear of what her brother, one of his closest friends, might say. So Jordan takes things into her own hands.When Cam admits to sharing her feelings, the two quickly fall in love, just as that past that Cam won't talk about returns for him and those he loves, a group which now includes Jordan.
