The World's Worst Puns John S. Crosbie
To paraphrase Mae West, Puns are only good when they are bad-and here is a collection of the very worst in the world. John S. Crosbie, who People Magazine called "the world's reigning guru" of puns, has put together a collection of groaners that every punster will love. Loaded with more than 200 puns, the World's Worst Puns includes such "punny" subjects as are, business, film, grammar, love, money, people, sports and much more. John S. Crosbie has written many humor books, including Crosbie's Dictionary of Puns. As he says, "My greatest contribution to humor came when I was given a pet lizard, I taught it to walk on its hind legs. It became the world's first stand-up chameleon." John S. Crosbie is also the Chairman of the Bored of the International Save the Pun Foundation.
