**Blood Horizon: The Novella: A Shark in still waters (The Dark Series) (Volume 2)** R.O Sawyer
This Paperback version additionally includes: An Introductory Short Story: A story of Love, Mystery and Revenge (The Dark Series Book 1) -Rayna relentlessly embarks on a mission to take down Ulysses, once and for all. Ulysses being the most feared mafia boss of her time, did not tolerate defiance but her father deliberately disobeyed one of his direct orders. This drove Ulysses to murder Raynas' fiancé. Rayna was furious and sought out to snipe both of Ulysses' daughters in cold blood. She was the daughter of an assassin and the fiery woman robbed of her wedding day. Ulysses was not about to let her go off easy after she took away the only other thing that he cared about apart from his money.… but there was no possible way to even the score. After a long and thoroughly executed strategy, Rayna manages to disband Ulysses' organization and took down the varmint of a man that he was… or so she thought! -Just when all seemed to be over, when she had forgotten all about her dark past…when she was basking in the bliss of her 'happily ever after' …the worst was still to come, Ulysses had also planned his unfaltering revenge which she hadn't anticipated!! This was a battle to the death; but as the bodies piled up, the two still faced one another with bloodied hands. She was Rayna and he was Ulysses; a more unlikely pairing of enemies was difficult to conceive. -Each, in their own way, fell into obscurity to avoid the net of death. Yet each is formulating the next horrendous, calculated attack—motivated not just by blood, but by the cunning and coldly shrewd way in which the next blow will be struck. The collateral damage has gained new participants, however, as Ramona loses those who are dearest to her, only to have them replaced by two daughters of her own. Where will the betrayal lie that causes her to spring into motion? Will she fight the powerful, enigmatic Ulysses on her own? Who will be left standing at the end and what will the price be that victory will require? What is the price of revenge? The sub-societal story of a vengeful underworld beauty vs. a powerful mob beast.
