No Man's Land (John Puller Series)

David Baldacci

No Man's Land (John Puller Series) David Baldacci
Special Agent John Puller, combat veteran and the army's most tenacious investigator, is back in this action-packed thriller from worldwide #1 bestselling author David Baldacci.

NO MAN'S LAND

Two men. Thirty years.

John Puller's mother, Jackie, vanished thirty years ago from Fort Monroe, Virginia, when Puller was just a boy. Paul Rogers has been in prison for ten years. But twenty years before that, he was at Fort Monroe. One night three decades ago, Puller's and Rogers' worlds collided with devastating results, and the truth has been buried ever since.

Until now.

Military investigators, armed with a letter from a friend of Jackie's, arrive in the hospital room of Puller's father--a legendary three-star now sinking into dementia--and reveal that Puller Sr. has been accused of murdering Jackie.

Aided by his brother Robert Puller, an Air Force major, and Veronica Knox, who works for a shadowy U.S. intelligence organization, Puller begins a journey that will take him into his own past, to find the truth about his mother.

Paul Rogers' time is running out. With the clock ticking, he begins his own journey, one that will take him across the country to the place where all his troubles began: a mysterious building on the grounds of Fort Monroe. There, thirty years ago, the man Rogers had once been vanished too, and was replaced with a monster. And now the monster wants revenge. And the only person standing in his way is John Puller.

From reader reviews:

Gabriel Reed:

Book is usually written, printed, or outlined for everything. You can realize everything you want by a guide. Book has a different type. As it is known to us that book is important matter to bring us around the world. Next to that you can your reading skill was fluently. A reserve No Man's Land (John Puller Series) will make you to possibly be smarter. You can feel more confidence if you can know about every thing. But some of you think in which open or reading any book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you trying to find best book or suitable book with you?

Robert Lindsey:

Information is provisions for anyone to get better life, information presently can get by anyone from everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is inside the former life are hard to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take No Man's Land (John Puller Series) as the daily resource information.

Cynthia Olson:

This No Man's Land (John Puller Series) is great guide for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great arrange word or we can claim no rambling sentences included. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with lovely delivering sentences. Having No Man's Land (John Puller Series) in your hand like finding the world in your arm, info in it is not ridiculous 1. We can say that no guide that offer you world within ten or fifteen minute right but this book already do that. So , this can be good reading book. Hey there Mr. and Mrs. active do you still doubt that will?

Tammy Carver:

Is it a person who having spare time in that case spend it whole day by watching television programs or just resting on the bed? Do you need something new? This No Man's Land (John Puller Series) can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this fresh era is common not a geek activity. So what these publications have than the others?
